

SECA: MEET THE PETS

It's a spinoff from the TV show Meet The Press

**Our
mascots
are excited
can't you
tell?**

CURRENT GIVING AND PARTICIPATION

As of this moment, the SCSC has raised \$3,209.74 towards its goal of \$10,686.87 which is roughly 28%. Nine people have contributed thus far.

While this is an excellent start, it is only a start. We must continue to build interest and momentum if we are to get across the goal line. Remember Razin will deliver donuts to the leading work area after the campaign is over. So if you want a visit from our mascot, think about helping SECA help others.

CROSSING THE GOAL LINE

This is Roscoe and he is a friend of Razin's. He is taking a break from his SECA training. He has been working the past couple of weeks getting ready to help the SCSC cross our goal line. He has learned about SECA, the over 1,000 charities and is ready to do his part to walk in someone else's shoes, or paws as it may be.

AND NOW PAWS MADNESS

- Now for the moment you have been waiting for. We have asked for photos and bios for pets, and we have gotten numerous entries. Their photos and a little bit about them are in this power point. Voting will be starting Wednesday 9/18. If you go to lunchroom you will find containers for each pet. If you want to vote for the pet each vote costs \$0.50. We had to change the rules a bit to accommodate the large number of entries. Remember ALL proceeds benefit SECA.

WELCOME OUR CONTESTANTS

Now entering the stadium are SCSC pets who have entered the **PAWS MADNESS** competition. Would you give them a round of applause? Over the next several weeks you will get to know more about them, and hopefully you will vote for your favorite.
